Coaches Training

If you are interested in coaching, we provide easy but valuable training, giving parents assistance in how to coach t-ball to young players in the YMCA Youth Super Sports Program. If you are already certified in a specific league you do not need to attend the training; however, you must pick up your coaching manuals. If you are not certified, you **must attend the training**. All coaches automatically will have their child on his/her team. Training includes a volunteer coaching shirt, coaching manual, and on to complete certification.
