### **Coaches Training**

If you are interested in coaching, we provide easy but valuable training, giving parents assistance in how to coach soccer to young players in the YMCA Youth Super Sports Program. If you are already certified in a specific league you do not need to attend the training; however, you must pick up your coaching manuals. If you are not certified, you **must attend one training**. All coaches automatically will have their child on his/her team. Training includes a volunteer coaching shirt, coaching manual, and on to complete certification.

**Tuesday, September 14, 2010: 6:30 pm - 8:30 pm**
