

THE CAMP CARR CONNECTION

Go Green Day!

Today at Camp Carr we went green! Our campers dressed up in their best green outfits and did several special activities. We tried to beat the heat by going on nature walks in the shade, but found a dip in the pool to be a little more refreshing. We made sure to water the cucumber seeds we planted. We also watered our friends in a healthy

game of "Dry, Dry, Wet" - a soggy version of "Duck, Duck, Goose". Even our craft today was green-inspired: we traced our hands, drew the world, and put it in our hands. Doesn't matter if it's rain or shine, we love exploring the outdoors at Camp Carr.

Y Day Camps provide an exciting, safe community

for young people to explore the outdoors, build self-esteem, develop interpersonal skills and make lasting friendships and memories.

Almost 10% of all the children attending camp this year will receive some amount of financial assistance. 75 campers are attending camp this summer thanks to your donations! You made all of this possible for them!
